Welcome back! Hope you had a great time.

The only time sensitive thing I can think of off the top of my head is a CMS response. A citizen in Suffolk County sent a letter in with concerns about South Fork Wind. Air is the lead and they're asking for the WD portion of the response by 2/3. I'll give you a call later to chat about it.

Best,
Marco

Hey Boss! Hope all is well. I just wanted to let you know that all went great and I'm back and covid free. I started digging into the mailbox and I have only 300 emails left to go. Please let me know if there is anything urgent that I need to get to right away.

¡Gracias!
